

Questions and Answers:

How do I request a speaker at our institution or meeting?

Contact SNM with the date that you would like to hold the course. Let us know the topic, length or course schedule, and target audience. We will coordinate and confirm requested topics and date with the speaker.

Who pays for the speaker's travel expenses and honoraria?

We do! The Bench to Bedside Campaign allows SNM to have a budget for funding speaker honoraria. We will also cover reimbursement of speaker's travel expenses—including transportation, hotel, and parking.

Who is responsible for locating a facility to hold the meeting?

The host organization is responsible for the planning, organization and expenses of the meeting facility, including the room, food and beverage, audiovisual equipment, staff, etc. Also, marketing to promote the meeting is the responsibility of the host organization.

For More Information

Contact Jennifer Rice at 703-742-5498 or jrice@snm.org for information or to request a speaker. Hurry! Speakers will be reserved on a first-come, first-serve basis.

For information about SNM, MICOE, or molecular imaging, visit our web-site at: www.snm.org/MI

SNM is dedicated to providing the medical community with access to the most knowledgeable and experience speakers in the field of molecular imaging.
